

BOTOX (BOTULINUM TOXIN) TRAINING COURSE

A unique opportunity to join the most comprehensive and practical course on Botulinum Toxin which includes practical training session conducted on a live patient. It is a hands on workshop by a renowned Board Certified Plastic and Cosmetic Surgeon, Dr Viral Desai. The hands-on training is conducted in small groups or one on one, so that everyone gets enough time to practice and observe the results. Video and live demonstrations will help to boost your knowledge about Botulinum Toxin. It is a course ideal for Registered Qualified Medical Practitioners.

Why should I get trained by Dr. Viral Desai?

Dr. Viral Desai is a Board Certified Plastic Surgeon. He has experience of injecting various types of Botulinum Toxin and Dermal Fillers since 2003 and has conducted several workshops in many National and International Conferences. He is an International Trainer with Allergan Medical Institute and Galderma wherein he has trained more than 300 students for Botulinum Toxin and Dermal Fillers. He is a Scientific Board Member and Faculty at IMCAS.
